After several months serving as our Administrator in Training, we are pleased to announce that

Mr. Terry Gros is now Eastridge's *official* Administrator. We appreciate his leadership, hard work, care, compassion, and commitment to our residents and staff.

**WELCOME ABOARD, LINDSEY!**

My name is Lindsey Woods and I currently reside in Lafayette, Louisiana with my two small children, Noah (3) and Brooklynn (2). I obtained my Bachelor of Science in Nursing degree from McNeese State University in 2013. I am currently enrolled in the online Master of Science in Nursing Education program at William Carey University in Hattiesburg, MS. I have high hopes to improve the educational skills that I currently possess. My nursing background includes surgical services, wound care, long term care, and education. In my spare time, I enjoy taking trips with my family and online shopping. I am elated to be a part of the Eastridge Nursing & Rehabilitation team and I look forward to leading the nursing staff in a progressive direction that will be beneficial to all of us, but most importantly, to our residents.

Lindsey Woods, RN  
Our new Director of Nursing

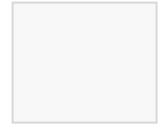

Our mission is to enable residents to live life to its fullest, regardless of age or health, with compassion, understanding, respect, dignity, and caring support.
